

DRIVER QUICK START

Deliveries and Pickups are assigned to you by your company for completion using the "CHENZON Android App".

WE WILL HELP
MAKE YOUR
DELIVERIES AND
PICK-UPS MORE
UNFORGETTABLE.

DOWNLOAD THE APP

When your company adds you as a driver, you will receive an email with a download link of the "CHENZON Android App".

START A TASK

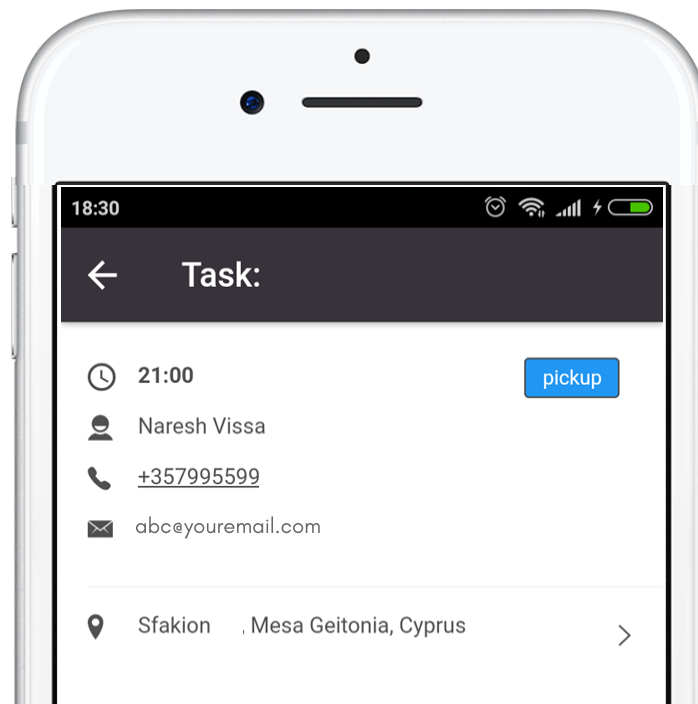

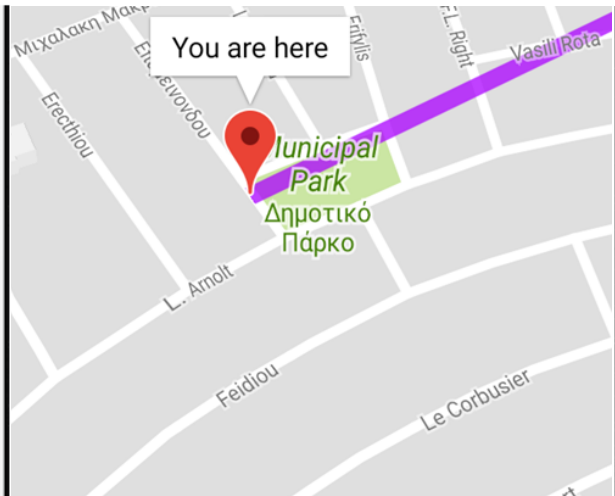

Once you are assigned tasks by a company, they will display in a list of the app. Click into the task to see its details and start it using the "Accept" button.

NAVIGATE TO A DESTINATION

In the detail page of the task, tap on the address to launch the map and the directions of the task (from where "You are now" to "Pick up" address & then to "Delivery" address). Then you can choose Google Maps as your navigation app.

CONTACT A CLIENT

In the detail page of the task, tap a client's telephone number after starting a task, to call. With the "CHENZON Android App" you can even text the client through a private number so client won't have access to your phone number (if enable by your company)

COMPLETE A TASK

You can complete the task the same way as it is started. From the completion details screen, add notes, a picture, signature and click "Successful" to submit and move on to the next task.
